### DualSnap™ Disposable Biopotential Electrodes

|               |                                                                             |
|---------------|-----------------------------------------------------------------------------|
| 13-40000-0050 | DualSnap™ EMG Electrode, 50 Pack                                            |
| 13-14000-6020 | DualSnap™ Lead Wire, 60", 20 Pack                                           |
| 13-14000-1020 | DualSnap™ Lead Wire, 100", 20 Pack                                          |
| 13-14000-1220 | DualSnap™ Lead Wire, 120", 20 Pack                                          |
| 13-40000-0005 | DualSnap™ Biopotential Electrode Patch, Single, (1 package of 5 patches)    |
| 13-40000-0020 | DualSnap™ Biopotential Electrode Patch, 20 Pack, (20 packages of 5 patches) |

### MotionWave™ Disposable EMG Electrodes

|               |                                                                 |
|---------------|-----------------------------------------------------------------|
| 13-41000-0050 | MotionWave™ Disposable Wired Dual EMG Electrode, 120in, 50 Pack |
| 13-41001-0050 | MotionWave™ Disposable Wired Dual EMG Electrode, 60in, 50 Pack  |

### TripleChin™ Disposable EMG Electrode Patch

|               |                                                 |
|---------------|-------------------------------------------------|
| 13-30000-0050 | TripleChin™ Electrode Patch, Adult, 50 Pack     |
| 13-31000-0050 | TripleChin™ Electrode Patch, Pediatric, 50 Pack |

### PrecisionGold™ Disposable EEG Electrodes

|               |                                                            |
|---------------|------------------------------------------------------------|
| 13-10100-4010 | 9mm Disposable Gold Cup EEG Electrode, 40" (1m), 10pack    |
| 13-10100-6010 | 9mm Disposable Gold Cup EEG Electrode, 60" (1.5m), 10pack  |
| 13-10100-8010 | 9mm Disposable Gold Cup EEG Electrode, 80" (2m), 10pack    |
| 13-10100-1010 | 9mm Disposable Gold Cup EEG Electrode, 100" (2.5m), 10pack |
| 13-10300-8015 | 6mm Disposable Pediatric EEG Gold Cup, 80" (2m) (15/pk)    |

### FlexPro™ Biopotential Electrodes

|               |                                                     |
|---------------|-----------------------------------------------------|
| 13-42000-0010 | FlexPro™ Disposable Biopotential Electrode (10 pks) |
|---------------|-----------------------------------------------------|

### XM™ Extremity Movement Sensor

|               |                                                      |
|---------------|------------------------------------------------------|
| 13-50000-0010 | XM™ Extremity Movement Sensor, (10 pk)               |
| 13-50000-0050 | XM™ Extremity Movement Sensor, (50 pk)               |
| 12-10180-0001 | Movement Sensor Interface Cable, 1.5mm DIN Connector |

### MyoFlex™ Movement Sensor

|               |                                                      |
|---------------|------------------------------------------------------|
| 13-50000-0050 | MyoFlex™ Movement Sensor, (10 pk)                    |
| 12-10180-0001 | Movement Sensor Interface Cable, 1.5mm DIN Connector |

### MyCustomPSG Kit™

A CUSTOMIZED COLLECTION OF SINGLE-USE ELECTRODES AND SENSORS FOR PSG TESTING

In addition to Dymedix Disposable EEG, EMG and Adhesive Surface Electrodes, **YOU CHOOSE** any of the additional sensors and electrodes to complete your custom PSG Sensor Kit.

For a NO OBLIGATION quote, choose the contents of your MyCustomPSG Kit™ using the link below. A Dymedix Clinical Specialist will contact you ASAP with pricing and ordering information.
